Nothin At All, performed by Heart

key: D

VERSE 1:

D G
I would walk home every evening, through the pyramids of light,
D G
I would feed myself on silence, wash it down with empty nights,

PRE-CHORUS 1:

C G
Then your innocent distractions hit me so hard
C D
My emotional reaction caught me off guard

Chorus

D G
It was nothin' at all (nothin at all)
C D
Like anything I had felt before
D G
No, nothin' at all (nothin at all)
C D
Like a thought, no it's so much more

C G
No one else has ever made me feel this way
C D
When I ask you how you did it, you just say
D G
It was nothin at all (nothin at all)

VERSE 2:

D G
Now I walk home every evening, and my feet are quick to move,
D G
Cause I know my destination, is a warm and waiting you,

PRE-CHORUS 2:

C G
From our first communication, it was clear
C D
Any thought of moderation would soon disappear
