Hang on to your hopes, my friend

That's an easy thing to say, but if your hopes should pass away

Simply pretend

That you can build them again

Look around, the grass is high

The fields are ripe, it's the springtime of my life

Time, time, time, see what's become of me

Ah, seasons change with the scenery

While I looked around

Weaving time in a tapestry

For my possibilities

Won't you stop and remember me

I was so hard to please

At any convenient time

But look around, leaves are brown

Funny how my memory skips while looking over manuscripts

And the sky is a hazy shade of winter

Of unpublished rhyme

Drinking my vodka and lime

Hear the salvation army band

But look around, leaves are brown now

Down by the riverside, it's bound to be a better ride

And the sky is a hazy shade of winter

Than what you've got planned

Carry your cup in your hand

Look around, leaves are brown

And look around, leaves are brown now

There's a patch of snow on the ground... (last two lines 3x)

And the sky is a hazy shade of winter
