Even It Up, performed by Heart
INTRO: **E A E A**
(VERSE) (**E**) "I'm the one who can please you"
Ain't that what you said
You seemed so alone
I guess I was easily led
(**A**) I showed you my love
But I guess that it went to your head
(**E**) When you were hungry
I brought you your breakfast in bed
(CHORUS) (**A**) Even it up, even it up, even it up
Even it up, even it up, even it up
A (**F#**) (**G**) good man pays his (**A**) debt
(**F#**) But you (**G**) ain't paid yours (**A**) yet
Even it
Even it up
D D D A A A D D D A A A E
