	I'm not sleeping, oh, no, no.

If you twist and turn away.	If you should ask then maybe
	They tell you what I would say.
Asus4 A Asus4 A Dsus2 D Dsus2 D	True colors fly in blue and black,
If you tear yourself in two again.	Bruised silken skies and burning flag.
	Colors crash, collide in blood shot eyes.

If I could, yes I would	A D
Dsus2 D Dsus2 D Asus4 A Asus4 A	Hoo, hoo, hoo, hoo Hoo, hoo.
If I could, I would let it go.	
	If I could, you know I would.
Dsus2 D Dsus2 D Asus4 A Asus4 A Dsus2 D Dsus2 D	If I could, I would let it go.
Surren-der, dislocate.	
	This desperation. Dislocation.
If I could throw this lifeless life-line to the wind.	Separation. Condemnation.
Leave this heart of clay, see you walk, walk away.	Revelation. Temptation.
Into the night and through the rain.	Isolation. Desolation.
Into the half-light and through the flame.	
	Let it go, and so to fade away.
If I could throw myself, set your spirit free.	To let it go, and so fade away.
I'd lead your heart away, see you break, break away	Oh, no I'm wide awake.
Into the light and to the day.	I'm wide awake.
	I'm not sleeping. Oh, no no
