

<b>Careless whisper, performed by Wham</b>	Time can never mend,	I'm never gonna dance again,
	The careless whisper of a good friend,	Guilty feet have got no rhythm,
<b>Dm</b> <b>Gm</b>	To the heart and mind,	Though it's easy to pretend,
I feel so unsure,	Ignorance is kind,	I know you're not a fool,
<b>Bb</b>	There's no comfort in the truth,	I should have known better than to cheat a friend,
As I take your hand,	Pain is all you'll find,	And waste a chance that I'd been given,
<b>Am</b>		So I'm never gonna dance again,
And lead you to the dance floor,	I'm never gonna dance again,	The way I danced with you,
<b>Dm</b>	Guilty feet have got no rhythm,	
As the music dies,	Though it's easy to pretend,	Now that you've gone,
<b>Gm</b>	I know you're not a fool,	Now that you've gone,
Something in your eyes,	I should have known better than to cheat a friend,	Now that you've gone,
<b>Bb</b>	And waste a chance that I'd been given,	Was what I did so wrong,
Calls to mind a silver screen,	So I'm never gonna dance again,	So wrong that you had to leave me alone,
<b>Am</b>	The way I danced with you,	
And all its sad goodbyes,		I'm never gonna dance again,
	Tonight the music seems so loud,	Guilty feet have got no rhythm,
I'm never gonna dance again,	I wish that we could loose this crowd,	Though it's easy to pretend,
Guilty feet have got no rhythm,	Maybe it's better this way,	I know you're not a fool,
Though it's easy to pretend,	We'd hurt each other with the things we want to say,	I should have known better than to cheat a friend,
I know you're not a fool,	We could have been so good together,	And waste a chance that I'd been given,
I should have known better than to cheat a friend,	We could have lived this dance forever,	So I'm never gonna dance again,
And waste a chance that I'd been given,	But now who's gonna dance with me,	The way I danced with you tonight.
So I'm never gonna dance again,	Please stay,	
The way I danced with you,
