Hey!	Oh oh oh oh
Everybody's lookin' for somethin'	Oh when it's love
Somethin' to fill in the holes	Oh oh oh oh
We think a lot but don't talk much about it	You can feel it, yeah
'Til things get out of control	Oh oh oh oh
	Nothing's missing ( A )
<b>Chorus: ( D A Bm G A )</b>	Yeah
How do I know when it's love	
I can't tell you but it lasts forever	<b>(Solo)</b>
How does it feel when it's love	
It's just something you feel together	How do I know when it's love
When it's love	I can't tell you but it lasts forever
	How does it feel when it's love
<b>( D C D ) ( D E E D ) ( C D ) ( C )</b>	It's just something you feel together
You look at every face in a crowd	How do I know when it's love
Some shine and some keep you guessin'	I can't tell you but it lasts forever
Waiting for someone to come into focus	When it's love
Teach you your final love lesson	(introdução teclado) ( D A D G )
