

**Wild Night, performed by Van Morrison**

**key: Em**

**Em G**

As you brush your shoes and stand before the mirror,

**Em G**

and you comb your hair, grab your coat and hat.

**Em G**

And you walk the wet street tryin' to remember,

**C D G**

all the wild night breezes in your mem'ry ever.

**Chorus**

**Em C**

And everything looks so complete,

**Em C**

when you're walkin' out on that street.

**Em C D**

And the wind catches your feet, and sends you flyin', cryin'.

**Em C D Em D G**

Ooh-----wee. The wild night is callin.

**Em C D Em D G**

Ooh-----wee. The wild night is callin.

**Em G**

And all the girls walk by, dressed up for each other.

**Em G**

And the boys do the boogie-woogie on the corner of the street.

**Em G**

And the people passin' by just stare in wild wonder,

**C D G**

and the jukebox inside roars out just like thunder.

**(Chorus)**

**Em G**

Well the wil-----d night is callin'.

**Em G**

The wil-----d night is callin'.

**Em G**

Come on out and dance, come on out and make romance.

**C D G**

Come on out and dance, come on out and make romance.

**(Chorus)**
