

**A tout le monde, performed by Megadeth**

Intro: **F#m, A/E, B4, G, A**

**(F#m A/E, B4, G, A)**

Don't remember where I was

I realized life was a game

The more seriously I took things

The harder the rules became

I had no idea what it'd cost

My life passed before my eyes

I found out how little I accomplished

All my plans denied

**F#m, E**

So as you read this know my friends

**B F#m**

I'd love to stay with you all

**F#m E**

Please smile when you think of me

**B D**

My body's gone that's all

**(F#m E B)**

A tout le monde (To all the world)

A tous mes amis (To all my friends)

Je vous aime (I love you)

Je dois partir (I have to leave)

These are the last words

I'll ever speak

**(F#m E B) D**

And they'll set me free

**(F#m A/E, B4, G, A)**

If my heart was still alive

I know it would surely break

And my memories left with you

There's nothing more to say

**(F#m E B)**

Moving on is a simple thing

What it leaves behind is hard

You know the sleeping feel no more pain

And the living are scarred
