

<b><u>Baby Jane, performed by Rod Stewart</u></b>	
	<b>F G</b> I've said goodbye so many times,
<b>key: C</b>	<b>F G</b> the situation ain't all that new.
<b>C G</b> Baby Jane, don't leave me hanging on the line,	<b>F Am G</b> Optimism's my best defense, I'll get through without you.
<b>Am F Am F G</b> I knew you when you had no one to talk to.	<b>Am G F Am G</b> When I give my heart again, I know, it's gonna last forever.
<b>C G</b> Now you're moving in high society,	<b>Am G F Am G</b> No one tell me where or when, I know, it's gonna last forever.
<b>Am F Am F G</b> don't forget I know secrets about you.	<b>Am G F Am G</b> I won't be that dumb again, I know, it's gotta last forever.
<b>F G</b> I used to think you were on my side,	<b>Am G F Am G</b> When I fall in love again, I know, it's gonna last forever.
<b>F G</b> but now I'm no longer sure.	<b>C G</b> Baby Jane, I've said all I want to say,
<b>F Am G</b> I wish I knew what I know now - before.	<b>Am F Am F G</b> go your own way, don't think twice about me.
<b>Am G F Am G</b> When I give my heart again, I know, it's gonna last forever.	<b>C G</b> 'Cause I've got ideas and plans of my own,
<b>Am G F Am G</b> No one tell me where or when, I know, it's gonna last forever.	<b>Am F Am F G</b> so long darlin', I'll miss you, believe me.
<b>C G</b> Baby Jane, don't it make you feel sad,	<b>F G</b> The lesson learned was so hard to swallow,
<b>Am F Am F G</b> just when I thought that we were winning.	<b>F G</b> but I know that I'll survive,
<b>C G</b> You and I were so close in every way,	<b>F Am G</b> I'm gonna take a good look at myself and cry.
<b>Am F Am F G</b> don't time fly when you're loving and laughing.	<b>+ REFRAIN</b>
