

Bed Of Roses, performed by Bon Jovi	
Bb F	Bb F
Sitting here wasted and wounded with this old piano.	I'm so far away, each step that I take's on my way home.
Bb F	Bb F
Trying hard to capture the moment, this morning I don't know.	A king's ransom in dimes I'd give each night to see through this payphone.
Am Bb F	Am Bb F
'Cause a bottle of vodka still lies in my head and some blonde	But I'd run out of time or it's hard to get through till the bird on the wire
Bb	Bb
Gave me nightmares, I think that she's still in my bed.	Flies me back to you. I'll just close my eyes.
Bb C F	Bb C
As I think about movies they won't make of me when I'm dead.	And whisper "baby blind love is true".
Bb F	Bridge:
With an iron-clad fist I wake up to french-kiss the morning.	Bb C
Bb F	The hotel bars hangover whiskey's gone dry.
While a marching band keeps it's own beat in my head while we're talking	F
Am Bb F	The bartender's wig's crooked, she's giving me the eye.
About all of the things I longed to believe, about love, the truth,	Bb Bb C F
Bb	I might've said yes, but I laughed so hard I think I died.
What you mean to me and the truth is...	
Bb C F	Bb F
Baby you're all that I need.	Now as you close your eyes you know I'll be thinking about you.

Chorus	My mistress she calls me to stand in her spotlight again.
Dm C Bb F	Am Bb F
I wanna lay you down in a bed of roses.	I won't be alone, you know that don't mean I'm not lonely.
Dm C Bb F	Bb Bb C
Tonight I sleep on a bed of nails.	I've got nothing to prove, for its you I'd die to defend.
Bb F Bb F	
I wanna be just as close as the Holy Ghost is.	
Dm C Bb F	
Lay you down, on a bed of roses.
