1ª Parte	C D
	I feel fine and I feel good
C D	Bm C
Every time I think of you	I'm feeling like I never should
Bm C	D
I feel shot right through with a bolt of blue	Whenever I get this way, I just don't know what to say
D	Bm C
It's no problem of mine but it's a problem I find	Why can't we be ourselves like we were yesterday
Bm C	D
Living a life that I can't leave behind	I'm not sure what this could mean
D	Bm C
There's no sense in telling me	I don't think you're what you seem
Bm C	
The wisdom of a fool won't set you free	I do admit to myself
	D
But that's the way that it goes	That if I hurt someone else
D	Bm C
And it's what nobody knows	Then I'll never see just what we're meant to be
Bm C	
While every day my confusion grows	Refrão 2x
Chorus	Chorus
D	D
Every time I see you falling	Every time I see you falling
Bm C	Bm C
I get down on my knees and pray	I get down on my knees and pray

I'm waiting for that final moment	I'm waiting for that final moment
Bm C	Bm C
You'll say the words that I can't say	You'll say the words that I can't say
