Without a dream in my heart

Blue moon, you know just what I was there for

**C D G**

You heard me saying a prayer for

**C D G C G**

Someone I really do care for wa wa wa wa wa

**Am D G**

And then suddenly appeared before me

**Am D G**

The only one my arms could ever hold

**Am D G**

I heard somebody whisper please adore me

**Am D**

But when I looked that moon had turned to gold oh oh oh

**G Em7 C D G Em7**

Blue moon, now I'm no longer alone

**C D G Em7**

Without a dream in my heart

Without a love of my own oh oh oh
