Verse 1:

      B
Every thing's so blurry
      C#
and everyone's so fake
     Ebm
And everybody's empty and
everything is so messed up
     B
Preoccupied without you
     C#
I cannot live at all
    Eb
My whole world surrounds you
I stumble then I crawl
     B
You could be my someone
     C#
you could be my scene
      Ebm
You know that I'll protect
you from all of the obscene
     B
I wonder what you'er doing
    C#
imagine where you are
     Ebm
There's oceans in between us
but that's not very far

Chorus 1:
     B
Can you take it all away
     C#
Can you take it all away
     Eb
Well you shoved it in my face
this pain you gave to me
    B
Can you take it all away
    C#
Can you take it all away
    Eb
Well you shoved it my face

Verse 2:
     B
Everyone is changing there's
     C#
no one left that's real
      Ebm
To make up your own ending and
let me know just how you feel
     B
Cause I am lost without you
     C#
I cannot live at all
     Eb
My whole world surrounds you
I stumble then I crawl
     B
And you could be my someone
     C#
you could be my scene
     Ebm
You know that I will save
you from all of the unclean
     B
I wonder what you're doing
     C#
I wonder where you are
     Eb
There's oceans in between us
but that's not very far
