G D7/9 Ab7
Is all your life will ever be
Dun run robbit run
Run, run rabbit run
Dig that hole, forget the sun, And when at last the work is done
Don't sit down it's time to start another one
For long you live and high you fly
But only if you ride the tide
And balanced on the biggest wave You race toward an early grave.
You race toward an early grave.
(and right after the last chord of "Time" theres)
Breathe Reprise
Homo homo again
Home, home again I like to be there when UI can
When I come in cold and tired
It's good to warm my bones beside the fire
Far away across the field
The tolling of the iron bell
Calls the faithful to their knees
To hear the softly spoken magic spells.
