

Bring me some water, performed by Melissa Etheridge

Am

tonight I feel so weak

but all in love is fair

I turn the other cheek

(stop)

And I feel the slap and the sting of the foul night air

D

and I know you're only human

Am

And I haven't got talking room

D

But tonight while I'm makinng excuses

Em (stop)

Some other woman is making love to you

(Chorus)

Am G D

Somebody bring me some water

Am G D

Can't you see I'm burning alive

Am G D

Can't you see my baby's got another lover

Em

I don't know how I'm gonna survive

Am G D

Somebody bring me some water

Am G D

Can't you see it's out of control

Am G D

Baby's got my heart baby's got my mind

Em

But tonight the sweet devil, sweet devil's got my soul

when will this aching pass

when will the night be through

I want to hear the breaking glass

I only feel the steel of the red hot truth

And I'd do anything to get it out of my mind

I need some insanity that temporary kind

tell me how will I ever be the same

when I know that woman is wispering you name

Chorus

Oh, devil's got my soul

Chorus
