

Brother Down - Sam Roberts

dm

One life to live but we're doing it wrong

C

G

You see, got my brother down cause it's nothing to me

dm

Everyone saying that it's wrong to cheat

C

G

But there's no other way to get my life on easy street

dm

Someone else telling you what you're living for

C

G

Been knocking you down, now you're looking for more

dm

The only sound you hear is a closing door

C

G

Been looking for peace but they're bringing you war

dm

Rich man cryin' cause his money's time

C

G

And poor man's smilin' cause he knows he ain't blind

dm

There's a man over there says he's tougher than me

C

G

But I got eyes that can see through fantasy

dm

C

G

I think my life is passing me by

dm

C

G

I think my life is passing me by

dm

Take it all back cause it don't mean nothing

C

G

If you give it away and you're looking for something back

dm

Wake up every morning when there's nothing there

C

G

No reason to die but no reason to care

dm

Someone else telling you what you're living for
