

Crying in the chapel, performed by Elvis Presley

G Am D G C G

1. You saw me crying in the chapel, the tears I shed were tears of joy.

Am D G C G

I know the meaning of contentment, now I`m happy with the Lord.

Am D G C G

2. Just a plain and simple chapel, where humble people go to pray.

Am D G C G G7

I pray the Lord that I`ll grow stronger, as I live from day to day.

C Cm G Em

I`ve searched, and I`ve searched, but I couldn`t find,

C D

the way on earth to gain peace of mind.

Am D G C G

3. Now I`m happy in the chapel, where people are on one accord.

Am D G C G G7

Yes, we gather in the chapel, just to sing and praise the Lord.

C Cm G Em

You`ll search, and you`ll search, but you`ll never find,

C D

no way on earth to gain peace of mind.

Am D G C G

4. Take your troubles to the chapel, get down on your knees and pray.

Am D G C G

Then your burdens will be lightened, and you`ll surely find the way.
