

Dancin In The Dark Chords by Bruce Springsteen	Em G
	You sit around getting older
G Em G Em G	C D Em
I get up in the evening and I ain't got nothing to say	There's a joke here somewhere and it's on me
Em G Em C	G
I come home in the morning I go to bed feeling the same way	I'll shake the world off my shoulders
Am C Am G	C D
I ain't nothing but tired Man I'm just tired and bored with myself	Come on baby the laugh's on me
Em G Em D	
Hey there baby I could use just a little help	Stay on the streets of this town and they'll be carving you up all right
	They say you gotta stay hungry - hey baby I'm just about starving tonight
(Chorus):	I'm dying for some action, I'm sick of sitting 'round here trying to
	write this book
D C	I need a love reaction. Come on now baby gimme just one look
You can't start a fire, you can't start a fire without a spark	
Am C Am G	D C
This gun's for hire even if we're just dancing in the dark	You can't start a fire sitting round crying over a broken heart
	Am C Am D
Messages keep getting clearer, radio's on and I'm moving round the place	This gun's for hire even if we're just dancing in the dark
I check my look in the mirror I wanna change my clothes, my hair, my face	C
Man I ain't getting nowhere, I'm just living in a dump like this	You can't start a fire worrying about your little world falling apart
There's something happening somewhere baby I just know there is	Am C Am G
	This gun's for hire even if we're just dancing in the dark
(repeat Chorus)	G
	Even if we're just dancing in the dark
	Even if we're just dancing in the dark
	Even if we're just dancing in the dark
	Even if we're just dancing in the dark
