

Dreams, performed by Fleetwood Mac	Am G6 Am G6
	Players only love you when they're playing
intro: F G F G	Am G6 Am G6
	Say, women, they will come and they will go
F G	Am G6 Am G6
Now here you go again	When the rain washes you clean you'll know
F G	Am
You say you want your freedom	You'll know
F G	
Well who am I to keep you down?	(now go back to alternating b/t the G F chords like the 1st verse)
F G F G	
It's only right that you should play the way you feel it	2nd Verse:
F G	
But listen carefully to the sound	Now here I go again
F G F G	I see you crystal visions
Of your loneliness, like a heartbeat drives you mad	I keep my visions to myself
F G F	It's only me who wants to wrap around you dreams and,
In the stillness of remembering what you had	Have you any dreams you'd like to sell
G F	Dreams of loneliness like a heartbeat drives you mad
And what you lost	In the stillness of remembering what you had
G F	And what you lost
And what you had	And what you had
G F	Ooh and what you lost
And what you lost	
	repeat chorus twice:
CHORUS:	
G Am G6 Am G6	You'll know
Oh thunder only happens when it's raining	You will know
