

**Dress You Up, performed by Madonna**

**key: Bb**

**Bb** **C**

You've got style, that's what all the girls say

**Bb** **C**

Sat-in sheets and luxuries so fine

**Bb** **C**

All your suits are custom made in Lon-don

**Gm7** **Bb** **A**

But I've got something that you'll really like

**Chorus**

**Bb** **C** **Am7** **Dm**

Gonna dress you up in my love

**Bb** **C** **Am7** **Dm**

All o- ver, all o- ver

**Bb** **C** **Am7** **Dm**

Gonna dress you up in my love

**Bb** **C** **Am7** **Dm**

All o- ver, all o- ver

Feel the silky touch of my caresses

They will keep you looking so brand new

Let me cover you with velvet kisses

I'll create a look that's made for you

**Chorus**

**Bb** **C** **Am7** **Dm**

Gonna dress you up in my love, in my love

**Bb** **C** **Am7** **Dm** **Bb** **C**

All o- ver your bod-y, all o- ver your bod-y

**Am7** **Dm**

In my love

**Bb** **C**

All o- ver, all o- ver

**Am7** **Dm**

From your head down to your toes
