Ooh Ooh Ooh	With the words from a poet and a voice from a choir	C D Em
C D	C D Em	Yeah Yeah, in a flood of tears that noone really ever heard fall at all
Just like the white winged dove sings a song sounds like shes singin	And a melody, nothin else mattered	C D
Em		Well I went searchin for an answer up the stairs and down the hall
Ooh baby Ooh said Ooh	C D	Em C D
C D	Just like the white winged dove sings a song sounds like shes singin	Not to find an answer but just to hear the call of a nightbird
And the days go by like a strand in the wind		Em
Em	Em	Singin come away, come away, come away
In the web that is my own I begin again	Ooh baby Ooh said Ooh	
C D Em	C D	C D
Said to my friend, Baby, nothing else mattered	Just like the white winged dove sings a song sounds like shes singin	Just like the white winged dove sings a song sounds like shes singin

But the moment that I first laid eyes on him	Em D C D	Em D Em D
C D Em	So with the slow sad graceful glow of age	Well I hear you in the mornin' and I hear you at nightfall
All alone on the edge of seventeen	C D C D	Em D Em D C D Em
	I went forth with an age old desire to please	And sometimes to be near you is to be unable to hear you my love
C D	C D C D	C D Em
Just like the white winged dove sings a song sounds like shes singin	On the edge of seventeen	Im a few years older than you my love
