

**Face In The Crowd, performed by Tom Petty**

**Em C**

Before All of this ever went down

**Em C**

in another place, another town

**D Am**

you were just a face in the crowd

**D Am**

you were just a face in the crowd

**Bm Am Em**

out in the street walking around a face in the crowd

out of a dream, out of the sky

into my heart, into my life

And you were just a face in the crowd

out in the street, thinking out loud

A face in the crowd
