

FAITH- George Michael	D	C
	But I'm showing you the door	Oh baby I reconsider
G	G	G
Well I guess it would be nice	Cause I gotta have faith, faith, faith	My foolish notion
G	G	Am
If I could touch your body	I gotta have faith	Well I need someone to hold me
C	G	D
I know not everybody	Because I gotta have faith, faith, faith	But I'll wait for something more
G	G	G
Has got a body like you	I gotta have faith, faith, faith	Yes I gotta have faith.....
G		
But I've got to think twice	Baby C	G C C7 C
G	I know you're asking me to stay	G
Before I give my heart away	C	C F F7 F
C	Say please, please, please don't go away	C
And I know all the games you play	G	
G	You say I'm giving you the blues	C
Because I play them too		Before this river
	Maybe C	G
Oh but I	You mean every word you say	Becomes an ocean
C G	C	C G
Need some time off from that emotion	Can't help but think of yesterday	Before you throw my heart back on the floor
C G	G	C
Time to pick my heart up off the floor	And another who tied me down to loverboy rules	Oh baby I reconsider
C	C	G
Oh when that love comes down	Before this river	My foolish notion
G	G	Am
Without devotion	Becomes an ocean	Well I need someone to hold me
Am	C G	D
Well it takes a strong man baby	Before you throw my heart back on the floor	But I'll wait for something more
		G
		Yes I gotta have faith.....
