

Folsom Prison Blues (key of E), performed by Johnny Cash	When I was just a baby
	My Mama told me, "Son
Intro:	Always be a good boy
-----	Don't ever play with guns"
-----	But I shot a man in Reno
-----	Just to watch him die
-----1-1-----	When I hear that whistle blowin'
2-2-2-----2-----	I hang my head and cry
-----2br-0-----	
	SOLO
The chord are E,E7,A,E,B.	
	I bet there's rich folks eatin'
The verse 1	In a fancy dining car
	They're probably drinkin' coffee
E	And smokin' big cigars
I hear the train a comin'	But I know I had it comin'
	I know I can't be free
It's rollin' 'round the bend	But those people keep a-movin'
	And that's what tortures me
And I ain't seen the sunshine	
E7	SOLO
Since, I don't know when	
A	Well, if they freed me from this prison
I'm stuck in Folsom Prison	If that railroad train was mine
E	I bet I'd move it on a little
And time keeps draggin' on	Farther down the line
B	Far from Folsom Prison
But that train keeps a-rollin'	That's where I want to stay
A(Strum once only) E	And I'd let that lonesome whistle
On down to San Antone	Blow my blues away
	The ending is just the begginig
