

Goodbye Stranger, performed by Supertramp	G#	G#
	And I will go on shining	Say the devil is my savior
key: G#	C#	C# G#
	Shining like brand new	But I don't pay no heed
G#	G#	
It was an early morning yesterday	I'll never look behind me	G#
C# G#	C# G#	And I will go on shining
I was up before the dawn	My troubles will be few	C#
And I really have enjoyed my stay		Shining like brand new
C# G#	G#	G#
But I must be moving on	Goodbye strange it's been nice	I'll never look behind me
	C# D#	C# G#
G#	Hope you find your paradise	My troubles will be few
Like a king without a castle	G#	
C#	Tried to see your point of view	G#
Like a queen without a throne	C# D#	Goodbye strange it's been nice
G#	Hope your dreams will all come true	C# D#
I'm an early morning lover	G#	Hope you find your paradise
C# G#	Goodbye Mary, Goodbye Jane	G#
And I must be moving on	C# D#	Tried to see your point of view
	Will we ever meet again	C# D#
G#	G#	Hope your dreams will all come true
Now I believe in what you say	Feel no sorrow, feel no shame	G#
C# G#	C# D#	Goodbye Mary, Goodbye Jane
Is the undisputed truth	Come tomorrow, feel no pain	C# D#
But I have to have things my own way		Will we ever meet again
C# G#	G#	G#
To keep me in my youth	Now some they do and some they don't	Feel no sorrow, feel no shame
	C# G#	C# D#
G#	And some you just can't tell	Come tomorrow, feel no pain
Like a ship without an anchor	And some they will and some they won't	
C#	C# G#	G#
Like a slave without a chain	With some it's just as well	Goodbye Mary, Goodbye Jane
G#		C# D#
Just the thought of those sweet ladies	G#	Will we ever meet again
C# G#	You can laugh at my behavior	G#
Sends a shiver through my veins	C#	Feel no sorrow, feel no shame
	That'll never bother me	C# D#
		Come tomorrow, feel no pain
