| <b>Greased Lightnin', performed by John Travolta</b> | <b>D</b>                                   |
|  | you're coastin' through the heat lap trial |
| <b>key: D</b>  | <b>A</b>                                   |
|  | you are supreme                            |
| <b>D</b>   | <b>G</b>                                   |
| We'll get some overhead lifters                      | the chicks'll cream                        |
| and fourbarrel quads                                 | <b>D A7</b>                                |
| oh yeah.   | for Greased Lightnin'.                     |
| <b>G</b>   |  |
| A fuel injection cut off                             | <b>D</b>                                   |
| and chromplated rods                                 | We'll get some purple French tail lights   |
| <b>D</b>   | and thirty inch fins                       |
| oh yeah.   | oh yeah.                                   |
| <b>A</b>   | <b>G</b>                                   |
| with a fourspeed on the floor                        | A Palomino dashboard                       |
| <b>G</b>   | and dual muffler twins                     |
| They'll be waitin' at the door.                      | <b>D</b>                                   |
| <b>A</b>   | oh yeah.                                   |
| You know that ain't no shit.                         | <b>A</b>                                   |
| <b>G</b>   | with new pistons                           |
| we'll be gettin' lots of tit in                      | and shocks                                 |
| <b>D A7</b>  | <b>G</b>                                   |
| Greased Lightnin'.                                   | I can get off my rocks.                    |
|  | <b>A</b>                                   |
| <b>D</b>   | You know that I ain't braggin'             |
| Go   | <b>G</b>                                   |
| Greased Lightnin'                                    | she's a real pussy wagon                   |
| you're burnin' up the quarter mile                   | <b>D</b>                                   |
| <b>G</b>   | Greased Lightnin'.                         |
| go   |  |
| Greased Lightnin'                                    |  |
