

<b>Headspin, performed by Lukas Rossi</b>	<b>F#m D</b>
	Then I hear you say
<b>key: F#m</b>	<b>A E</b>
	"Let's live for the moment this time"
<b>F#m D</b>	<b>F#m D</b>
All I want to say	Then you want to keep me forever
<b>A E</b>	<b>A E</b>
is you're the satellite in my life	Why don't you just make up your mind
<b>F#m D</b>	
You don't have to lie	<b>F#m D A E</b>
<b>A E</b>	You make my head spin
You don't have to cry anymore	You make my head spin
	Why, why do you
<b>F#m D</b>	You make my head spin
Lost inside your eyes	You make my head spin
<b>A E</b>	Why, why
The vision never dies	
<b>F#m D</b>	<b>F#m D</b>
Oh just take my hand	Did I hear you say
<b>A E</b>	<b>A E</b>
or float and never land	you wanna be alone
	<b>F#m D</b>
<b>F#m D</b>	Or was it a mistake
Then I hear you say	<b>A E</b>
<b>A E</b>	How would we ever know
"Let's live for the moment this time"	<b>F#m D</b>
<b>F#m D</b>	I can't hear you scream
Then you want to keep me forever	<b>A E</b>
<b>A E</b>	You wanna be alone
Why don't you just make up your mind	<b>F#m D</b>
	I can't hear you scream at me
<b>Chorus</b>	<b>A E</b>
	scream at me
<b>F#m D A E</b>	
You make my head spin	<b>F#m D A E</b>
You make my head spin	I'm not perfect
Why, why do you	I'm just not perfect
You make my head spin	No, no, no
You make my head spin	I'm not perfect
Why, why< R>	I'm not perfect
<b>F#m D</b>	
You love to build me up	<b>F#m D A E</b>
<b>A E</b>	You make my head spin
just to tear me down	You make my head spin
<b>F#m D</b>	Why, why do you
Wouldn't it be nice	You make my head spin
<b>A E</b>	You make my head spin
if we found paradise someday	
	Did I ever mean something
	Did I ever mean something to you
	Did I ever mean something
	Did I ever mean something to you
