Horse with no name - America	Chorus
	Em9 Dmaj9
Em D6/9 Em9 Dmaj9	
	I've been through the desert on a horse with no name
**	it felt good to be out of the rain
	in the desert you can remember your name
	'cause there ain't no one for to give you no pain
I like to strike the base note on a downstroke on the first beat	la la la lalala la la la la
followed by the bottom four strings. Alternating up and down	
on Em and Em9, up only on D6/9 and Dmaj9	After two days in the desert sun
	my skin began to turn red
Em D6/9	After three days in the desert fun
On the first part of the journey	I was looking at a river bed
I was lookin at all the life	And the story it told of a river that flowed
There were plants and birds and rocks and things	made me sad to think it was dead
There were sand and hills and rings	
	chorus
The first thing I met was a fly with a buzz	
and the sky with no clouds	After nine days I let the horse run free
the heat was hot and the ground was dry	'cause the desert had turned to sea
but the air was full of sound	there were plants and birds and rocks and things
	there were sand and hills and rings
	The ocean is a desert with it's life underground
	and the perfect disguise above
	Under the cities lies a heart made of ground
	but the humans will give no love
