

I'll always be there - Roch Voisine	I'll always be there	I'll always be there
	(Am) There when the frost of it's winter	There when the tears in your eyes
Capot: 3e fret	Is cursing	Keep on asking me why
		Asking me why
Csus2:x30010	I'll always be there	
	(C) There when the tears in your eyes	I'll always be there
(C) You (C4) and (C) I	Keep on as (Am) king	(D) There when the world and it's promise
Have followed the (Am) trace		Is (Bm) failing
(Am7) Laid by (Am) people (F) of faith and pride	I'll always be (F) there	
With hungry (G) eyes		I'll always be there
	I'll always be there	
(C) You (C4) and I		I'll always be there
Could conquer the (Am) stars	You and I	(G) There when the tears in your eyes
If we tried	Will follow the trace	Keep on asking me (A) why
Or simply live (F) by simpler vows	Laid by people of faith and pride	
And let the (G) storm go by...	With angry eyes gone blind	Asking me why
(C) You (C4) and (C) I	You and I	I'll always be there
Have written the (Am) book	Will show them the light	(D) There when the frost of it's winter
(Am7) Line by (Am) line	We live by	Is (Bm) cursing
And the few things it (F) took to survive	So never again will they try	
Was your loving (G) heart and mine	To keep us apart	I'll always be there
(C) Should You go	I'll always be there	I'll always be there
Remember these (Am) words	There when the world and it's promise	(G) There when you're loving is such
As they show	Is failing	You keep burning a (A) live
Just how much I (F) care		I'll always be there
Don't you know	I'll always be there	
I'll always be (G) there	There when the frost of it's winter	I'll always be (D) there
	Is cursing	I'll always be (G) there
I'll always be (C) there		
There when the world and it's promise		I'll always be there (D)
Is failing		I'll always be there (G) (A) (D)
