Then I saw her f(**G**)ace (**C G**)

Now I'm a beli(**G**)ever (**C G**)

Not a tr(**G**)ace (**C G**) of doubt in my m(**G**)ind (**C G**)

I'm in l(**G**)o---(**C**)ve; I'm a beli(**G**)ever, I couldn't le(**F**)ave her if I t(**D7**)ried.

I thought love was more or less a givin' thing

It seems the more I gave the less I got

What's the use in tryin'

All you get is pain

When I needed sunshine I got rain.
