Please baby can't you see, my mind's a burnin' hell.	But, I'm the only one, who'll walk across the fire for you
I got razors a rippin' and tearin' and strippin'	<b>G</b> <b>F</b> <b>E</b>
My heart apart as well	And, I'm the only one, who'll drown in my desire for you
Tonight you told me, that you ache for something new	<b>Am</b> <b>Cadd9</b>
And some other woman is lookin' like something	It's only fear that makes you run, the demons that you're hiding from.
That might be good for you	<b>F</b> <b>Cadd9</b> <b>G</b>
	When all your promises are gone, I'm the only one...

I've been here before and I'm locking the door	And I'm the only one, who'll drown in my desire for you
And I'm not going back again.	<b>Am</b> <b>Cadd9</b>
Her eyes and arms and skin won't make it go away	It's only fear that makes you run, the demons that you're hiding from
You'll wake up tomorrow and wrestle the sorrow	<b>F</b> <b>Cadd9</b> <b>G</b>
That holds you down today	When all your promises are gone, I'm the only one...
