But then I spent so many nights	And I'll survive

Thinkin' how you did me wrong	I will survive

And I grew strong	Am Dm G C F B E E7
E7	Hey hey
I learned how to get along	
	Am Dm
Am Dm	It took all the strength I had not to fall apart
And so you're back from outer space	G C
G C	Kept trying' hard to mend the pieces of my broken heart
I just walked in to find you here with that sad look upon your face	F
F	And I spent oh so many nights
I should have changed that stupid lock	B
B	Just feeling sorry for myself
I would have made you leave your key	E
E E7	I used to cry
If I'd have known for just one second you'd be back to bother me	E7
	But now I hold my head up high
Am Dm	
Go on now go walk out the door	Am
G	And you see in me
Just turn around now	Dm
C	Somebody new
You're not welcome anymore	G C
F B	I'm not that chained up little person still in love with you
Weren't you the one who tried to hurt me with goodbye	F
E	And so you feel like droppin' in
Did I crumble	B
E7	And just expect me to be free
Did you think I'd lay down and die?	E E7
	But I'm savin' all my lovin' for someone who's lovin' me
