

<b>Just What I Needed - The Cars</b>	E      B                      A                      C#m      B
	I guess you're just what I needed
<b>Intro</b>	E      B      A                      C#m
<b>Scratchy E</b>	I needed someone to bleed      E      B      C#m      G#
E                      B	(Guitar solo)
I don't mind you coming here	
C#m                      G#	E      B      C#m      A
Wasting all my time	(Guitar solo)
E                                      B	E      B      C#m      G#
'Cause when you're standing oh so      near	(Guitar solo)
C#m                                      G#	E      B      C#m      G#
I kind of lose my mind, yeah	(Guitar solo)
E                                      B	E                                      B
It's not the perfume that you wear	I don't mind you coming here
C#m                                      G#	C#m                                      G#
It's not the ribbons in your hair	Wasting all my time
E                                      B	E                                      B
I don't mind you coming here	'Cause when you're standing oh so      near
G#                                      A	C#m                                      G#
And wasting all my time	I kind of lose my mind, yeah
	E                                      B
E      B      C#m      G#	It's not the perfume that you wear
E      B      C#m      A	C#m                                      G#
	It's not the ribbons in your hair
E                                      B	E                                      B
I don't mind you hanging out	I don't mind you coming here
C#m                                      G#	G#                                      A
And talking in your sleep	And wasting all my time
E                                      B	
It doesn't matter where you've been	<b>Chorus</b>
C#m                                      G#	
As long as it was deep	C#m
E                                      B	So feed me
You always knew to wear it well      and	E      B      C#m      G#
C#m                                      G#	
You look so fancy I can tell	E      B      C#m      A
E                                      B	You're just what I needed
I don't mind you hanging out	E      B      C#m      G#
G#                                      A	
And talking in your sleep	E      B      C#m      A
	You're just what I needed      E      B      C#m      G#
E      B                      A                      C#m      B	
I guess you're just what I needed	E      B      C#m      A
E      B      A                      C#m	You're just what I needed      E      B      C#m      G#
I needed someone to feed	Yeah, yeah, yeah, yeah      A      B      C#m
