

Keep It Together, performed by Madonna	Always wanting something back
	When I get lonely and I need to be
key: Cm	Loved for who I am, not what they want to see
	Brothers and sisters, they've always been there for me
Cm	We have a connection, home is where the heart should be
Keep, keep it together	
Abm	Chorus
Keep people together forever and ever	
	Cm Abm
Cm Abm	Keep it together in the family
I got brothers, I got some sisters too	Cm Abm
Cm Abm	They're a reminder of your history
Stuck in the middle tell you what I'm gonna do	Cm Abm
Cm Abm	Brothers and sisters they hold the key
Gonna get out of here, I'm gonna leave this place	Cm
Cm Abm	To your heart and your soul
So I can forget every single hungry face	Abm Cm Cm Bb
Cm Abm	Don't forget that your family is gold
I'm tired of sharing all the hand me downs	
Cm Abm	{intermediate}
To get attention I must always be the clown	
Cm Abm	Abm Bb
I wanna be different, I wanna be on my own	When I look back on all the misery
Cm Abm	Abm Bb
But Daddy said listen, you will always have a home	And all the heartache that they brought to me
	Abm Bb
Chorus	I wouldn't change it for an-other chance
	Abm Cm
Cm Abm	'Cause blood is thicker than any other circumstance
Keep it together in the family	
Cm Abm	When I get lonely and I need to be
They're a reminder of your history	Loved for who I am, not what they want to see
Cm Abm	Brothers and sisters, they've always been there for me
Brothers and sisters they hold the key	We have a connection, home is where the heart should be
Cm	
To your heart and your soul	{intermediate}
Abm Cm	{Chorus}
Don't forget that your family is gold	
	Cm
I hit the big time but I still get the blues	Keep, keep it together
Everyone's a stranger, city life can get to you	Abm
People can be so cold, never want to turn your back	Keep people together forever and ever
Just givin' to get something	{repeat and fade}
