

Less is More, performed by Joss Stone	If you wanna be showing your affection	Am Em
	Don't you know a simple kiss will do	Gimme a chance to miss you Boy I don't mean to diss you,
key: Am	So many beautiful ways for love's expression	Am
	But I'm sorry to say your way ain't getting through	but I tell you I need some space and still
Am Em		Em
Don't go sending me those three dozen roses	Haven't you heard a little space makes the heart grow fonder	you call me up three times a day
Am Em	Haven't you heard nothing good comes overnight	Am
Don't you know that just one rose will do	I'm telling you straight baby, just in case you wonder	You know, baby you crowding me out
Am Em	It's turning me off, crowding me out its not right	Em B B7
Don't go trying to put diamonds on my fingers		Haven't you heard less is more
B B7	Less is more	
Don't you know that I'm making money too	Back it up slow it down let it breathe	Am Em
	Cause you too much of a good thing can be bad	Less is more, listen m? boy
Don't go throwing those stones outside my window	See we don't wanna go out like that	Am Em
You don't gotta be calling three times a day	Less is more	Less is more
'Cause if you do then when we get together	Pull it back, hold it down, chill it out	
I'll be biting my lip 'cause there's nothing else left to say	If you want me to still be around	
	Remember	
Haven't you heard absence makes the heart grow fonder		
Haven't you heard nothing good comes overnight	It would be something if I had a chance to be missing you	
I'm telling you straight baby, just in case you wonder	Too much for taking it's driving me crazy that's all you do	
It's turning me off, crowding me out its not right	It needs rearranging It's so suffocating That I can't move	
	You gotta take two steps back Believe what they say It's true	
Am		
Less is more	Less is more	
Em	Back it up slow it down let it breathe	
Back it up slow it down let it breathe	Cause you too much of a good thing can be bad	
Am	See we don't wanna go out like that	
Cause you too much of a good thing can be bad	Less is more	
Em	Pull it back, hold it down, chill it out	
See we don't wanna go out like that	If you want me to still be around	
	Remember	
Am		
Less is more		
Em		
Pull it back, hold it down, chill it out		
B		
If you want me to still be around		
B7
