

Live To Tell, performed by Madonna

B F#m B F#m B

I have a tale to tell, sometimes it gets so hard to hide it well

B F#m B F#m B

I was not ready for the fall, too blind to see the writing on the wall

F#m E G#m F#m

A man can tell a thousand lies, I've learned my lesson well

A E F#m G#m

Hope I live to tell the secret I have learned till then

E B A

It will burn inside of me

B F#m B F#m B

I know where beauty lives, I've seen it once, I know the one she gives

B F#m B

The light that you could never see

B F#m B

It shines inside you can't take that from me

F#m E F#m E

A man can tell a thousand lies, I've learned my lesson well

C#m E B

Hope I live to tell the secret I have learned till then

C#m A C#m

It will burn inside of me

F#m E F#m E

The truth is never far behind, you've kept it hidden well

C#m E B

If I live to tell the secret I knew then will I

C#m B A C#m

Ever have the chance again

A B C#m Abm

If I ran away, I'd never have the strength to go very far

A B Abm C#m

How would they hear the beating of my heart

A B C#m Abm

Will it grow cold, the secret that I hide. Will I grow old?

A B C#m

How will they hear? When will they learn? How will they know?

F#m E F#m E

A man can tell a thousand lies, I've learned my lesson well

C#m E B

Hope I live to tell the secret I have learned till then

C#m A C#m

It will burn inside of me

F#m E F#m E

The truth is never far behind, you've kept it hidden well

C#m E B

If I live to tell the secret I knew then will I

C#m B A

Ever have the chance again
