From Jamaica to the world,	Don't worry about a thing,
this is just love,	it's gonna be alright,
this is just love,	Don't worry about a thing,
Yeah!	it's gonna be alright,
	Don't worry about a thing,
Why must our children play in the streets,	it's gonna be alright,
broken hearts and faded dreams,	Gonna be, gonna, gonna, gonna be alright,
listen up to everyone that you meet,	
don't you worry, it could be so sweet,	Why must our children play in the streets,
Just look to the rainbow, you will see	broken hearts and faded dreams,
sun will shine till eternity,	listen up to everyone that you meet,
I've done for much love in my heart,	don't you worry, it could be so sweet,
No-one can tear it apart,	Just look to the rainbow, you will see
Yeah,	sun will shine till eternity,
	I've done for much love in my heart,
	No-one can tear it apart,
	Yeah, (Whisling)
