

Midnight Rambler - The Rolling Stones

Opening riff:

-|-----x--x-----
-|-----15-14-----
-|-----14-14-----
-|-----14-14-5-7-7-9-9*-7-7-9-----
-|-5-7-7-9-7-xx-xx-5-5-5-5-5-5-5-5-----
-|-5-5-5-5-5-xx-xx-----

-|----x--x-----
-|----14-12-7-5-----
-|----14-14-7-5-----
-|----14-14-7-5-----
-|----xx-xx-----5-7-7-9-9-10-10-9-----
-|----xx-xx-----5-5-5-5-5-5-5-5-----

Once it gets to the break, there's the two chord da Daahh da Daahh stuff... those chords are

-----7-----
-----7-----5h6-- (Do various riffs here)
-----7-----5-----
---7-5-7-7---
--5-5-5-5---

The 5'th fret on the **D** string is a min 7 interval making the major a dominant 7. The 5h6 is a hammer-on (gives it that bluesy feel).
