I didn't notice but it had grown very dark and I was really,	-----
Really out of my mind.	-----
Just then a policeman stepped up to me and asked us said,	A G E
"Please, hey, would we care to all get in line, get in line"	
	<b>Verse 4:</b>
They asked us to stay for tea and have some fun,	
He said that his friends would all drop by	If you go down in the streets today, baby, you better, You better open your eyes.
<b>Verse 3:</b>	Folk down there really don't care, Really don't care, don't care, really don't
Why don't you take a good look at yourself	Which, which way the pressure lies,
And describe what you see,	So I've decided what I'm gonna do now.
Baby, Baby, Baby, do you like it?	So I'm packing my bags for the Misty Mountains
There you sit, sitting spare like a book on a shelf rustin'	Where the spirits go now,
Ah, not trying to fight it.	Over the hills where the spirits fly, ooh.
You really don't care if they're coming	I really don't know.
I know that it's all a state of mind, ooh.
