My Best Friend's Girl, performed by The Cars
My Best Friend's Girl, performed by The Cars
Intro
F Bb C
F Bb
Youre always dancing down the street
C F Bb C
With your suede blue eyes
F Bb
And every new boy that you meet
С
He doesnt know the real surprise
(F Bb C)
Here she comes again
When shes dancing neath the starry sky
Oo, she'll make you flip
Here she comes again
When shes dancing neath the starry sky
I kinda like the way she dips
Bb C Bb
Well shes my best friends girl
C Bb
Shes my best friends girl-irl
C
But she used to be mine
But she used to be mine
(F Bb C - same as other verse)
(F Bb C - same as other verse) Youve got your nuclear boots
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky Here she comes again
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky
(FBb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky Here she comes again I kinda like the way, I like the way she dips
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky Here she comes again I kinda like the way, I like the way she dips (Bb C - same as other Chorus)
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky Here she comes again I kinda like the way, I like the way she dips (Bb C - same as other Chorus) cause shes my best friends girl
(F Bb C - same as other verse) Youve got your nuclear boots And your drip dry glove Oo when you bite your lip Its some reaction to love, o-ove, o-ove Here she comes again When shes dancing neath the starry sky Yeah, I think you'll flip Here she comes again When shes dancing neath the starry sky Here she comes again I kinda like the way, I like the way she dips (Bb C - same as other Chorus)
