I hear her scream	It starts to sting	(F G G# F)	But not like this
From down the hall	As it starts to swell	You're just a child	D5 C5
Amazing she can	She looks at you	With a temper	Never before
Even talk at all	She wants the truth	(F G G# F)	G F
She cries to me	It's right out there	Haven't you heard	Have I ever
Go back to bed	In the waiting room	"Don't hit a lady"?	C5
I'm terrified that	With those hands	(F G G# F)	Seen it this bad
She'll wind up		Kickin' your as*	G

Dead in his hands	G	(F F F G G# F) x4
