<b>LETRA:</b>	
	No one like you
Girl, it's been a long time that we've been apart	I can't wait for the nights with you
Much too long for a man who needs love	I imagine the things we'll do
I miss you since I've been away	I just wanna be loved by you
Babe, it wasn't easy to leave you alone	
It's getting harder each time that I go	No one like you
If I had the choice, I would stay
