

**Nothing Else Matters (Unplugged), performed by Metallica**

**key: Em**

**Em**                    **D**    **C**

So close no matter how far

**Em**                    **D**            **C**

Couldn't be much more from the heart

**Em**                    **D**            **C**

Forever trusting who we are

**G**    **B7**            **Em**

And nothing else matters

**Em**                    **D**            **C**

Never opened myself this way

**Em**                    **D**            **C**

Life is ours, we live it our way

**Em**                    **D**            **C**

All these words I don't just say

**G**    **B7**            **Em**

And nothing else matters

**Em**                    **D**            **C**

Trust I seek and find in you

**Em**                    **D**            **C**

Every day for us something new

**Em**                    **D**            **C**

Open mind for a different view

**G**    **B7**            **Em**

And nothing else matters

**C**    **A**    **D**    **D4**   **D**   **D9**   **D**

Never cared for what they do

**C**    **A**    **D**    **D4**   **D**   **D9**   **D**

Never cared for what they know

**D**    **Em**

But I know

Never opened...

**C**    **A**    **D**    **D4**   **D**   **D9**   **D**

Never cared for what they say

**C**    **A**    **D**    **D4**   **D**   **D9**   **D**

Never cared for what they play

**C**    **A**    **D**    **D4**   **D**   **D9**   **D**

Never cared for what they do

**C**    **A**    **D**    **D4**   **D**   **D9**   **D**

Never cared for what they know

**D**    **Em**

But I know
