oh...	Just a stranger on the bus trying to make his way home
one of these nights at about twelve o'clock	
this whole earth's gonna reel and rock...	If God had a face, what would it look like
things thay'll tremble and cry for pain	And would you want to see?
for the Lord's gonna come in his heavenly airplane.	If seeing meant that you would have to believe,
	In things like heaven and in Jesus and the saints and all the prophets
F#m D A E	
If God had a name, what would it be?	Am E F#m
	He's tryin'to make his way home...
F#m D A	Like up to heaven all alone...
And would you call it to his face	Nobody calling on the phone...
	Except for the Pope, maybe in Rome.
