

|                                                |                                                      |
|------------------------------------------------|------------------------------------------------------|
| <b>Over And Over, performed by Madonna</b>     | You're never gonna see me standin' still             |
|                                                | I'm never gonna stop 'till I get my fill             |
| <b>key: C</b>                                  | It doesn't matter who you are                        |
|                                                | It's what you do that takes you far                  |
| <b>C Bb F</b> repeat through the whole song    | And if at first you don't succeed                    |
|                                                | Here's some advice that you should heed              |
| <b>C</b>                                       |                                                      |
| Hurry up, I just can't wait                    | { <b>Chorus</b> , substituting "You" for "I"}        |
| I gotta do it now I can't be late              |                                                      |
| I know I'm not afraid I gotta get out the door | {Intermediate:}                                      |
| If I don't do it now I won't get anymore       |                                                      |
| You try to criticize my drive                  | <b>Bb F C</b>                                        |
| If I lose I don't feel paralyzed               | I'm not afraid to say I hear a different beat, oh    |
| It's not the game it's how you play            | <b>Bb F</b>                                          |
| And if I fall I get up again now               | And I'll go out in the street, yeah                  |
|                                                | <b>C Bb F</b>                                        |
| <b>Chorus</b>                                  | And I will shout it again From the highest mount-ain |
|                                                |                                                      |
| <b>C Bb F</b>                                  | Hurry up, I just can't wait                          |
| I get up again, over and o-ver                 | I gotta do it now I can't be late                    |
| <b>C Bb F</b>                                  | I know I'm not afraid I gotta get out the door       |
| I get up again, over and o-ver                 | If I don't do it now I won't get anymore             |
| <b>C Bb F</b>                                  | You try to criticize my drive                        |
| I get up again, over and o-ver                 | If I lose I don't feel paralyzed                     |
| <b>C Bb F</b>                                  | It's not the game it's how you play                  |
| I get up again, over and o-ver                 | And if I fall I get up again now                     |
|                                                |                                                      |
| Got past my first mistake                      | { <b>Chorus</b> }                                    |
| I'll only give as much as I can take           |                                                      |
