	Back in Penny Lane: there is a fireman with an hourglass.

In Penny Lane: there is a barber showing photographs	And in his pocket is a portrait of the queen.

Of every head he's had the pleasure to know.	He likes to keep his fire engine clean,
Em7/5- Eb	D7 C
And all the people that come and go	It's a clean machine.

	Back in Penny Lane: the barber shaves another customer.

On the corner is a banker with a motor car.	We see the banker sitting, waiting for a trend.

The little children laugh at him behind his back.	And then the fireman rushes in

And the banker never wears a "mac"	From the pouring rain.
