Bb Dm	Dm Dm Dm
No one, would ever have you again	And so you put up your guard
Bb	
And if takin? was gonna get done	C Bb C Dm
С	And you try to be hard but your heart says try again
You?d decide where and when

Armed and ready you fought love battles in the night	F Bb
F Bb	You desperately search for a way to conquer the fear
But too many opponents made you weary of the fight	
Bb Dm	Bb
Blinded by passion, you foolishly let someone in	No line of attack has been planned to fight back the tears
Bb	Bb Dm
All the warnings went off in your head	Where brave and restless dreams are both won and lost
С	Bb C
Still you had to give in	On the edge is where it seems it?s well worth the cost
Dm C Bb	Dm C Bb
Just when you think you got it down	Just when you think you got it down
F Bb	F Bb
Resistance no where to be found	Your heart in pieces on the ground
