

<b>Shadows Of The Night, performed by Pat Benatar</b>	<b>B E F# B</b>
	Surrender all your dreams to me tonight
<b>key: B</b>	<b>B G#m F# B</b>
	They'll come true in the end
We're running with the shadows of the night	
So baby take my hand, it'll be all right	<b>B F# B F#</b>
Surrender all your dreams to me tonight	You know that sometimes, it feels like
They'll come true in the end	<b>B</b>
	It's all moving way too fast
<b>B F# B F#</b>	<b>B F# B F#</b>
You said oh girl, its a cold world	Use every alibi and words you deny
<b>B</b>	<b>B</b>
When you keep it all to yourself	That love ain't meant to last
<b>F# B F#</b>	<b>D#m C#</b>
I said you can't hide on the inside	You can cry tough baby, it's all right
<b>B</b>	<b>G#m Bbm B</b>
All the pain you've ever felt	You can let me down easy, but not tonight
<b>D#m C#</b>	
Ransom my heart, but baby don't look back	We're running with the shadows of the night
<b>G#m Bbm B</b>	So baby take my hand, you'll be all right
Cause we got nobody else	Surrender all your dreams to me tonight
	They'll come true in the end
<b>Chorus</b>	
	Were running with the shadows of the night
<b>B E F# B</b>	So baby take my hand, it'll be all right
We're running with the shadows of the night	Surrender all your dreams to me tonight
<b>B G#m F# E B</b>	They'll come true in the end
So baby take my hand, it'll be all right	
	And now the hands of time are standing still
	Midnight angel, wont you say you will
