

SHE'S EVERY WOMAN- Garth Brooks

Capo II

D G

She's sun and rain, she's fire and ice

A Bm A

A little crazy, but it's nice.

G D A

And when she get's mad you best leave her alone.

D G

Cause she'll rage just like a river

A Bm A

Then she'll beg you to forgive her

G A D

Oh, she's every woman that I've ever known.

Bm G

It needs no explanation,

Bm G

cause it all makes perfect sense.

D A Bm A

For when it comes down to temptation,

G A

she's on both sides of the fence.

She's so New York, and then LA

and every topwn along the way.

And she's every place that I've never been.

She's making love on rainy nights,

She's a stroll through Christmas lights

And she's everything I want to do again.

She's anything but typical,

She's so unpredictable.

Oh, but even at her worst she aint that bad.

She's as real as real can be.

And she's every fantasy.

G A Bm

Lord, she's every lover that I've ever had.

G A D

And she's every lover that I've never had.
