

Silent Lucidity, performed by Queensryche	G9 Em Em7/B Em Em7/B	G G9 G
	but only didn't realise that you were scared.	If you open your mind for me,
Versão 1	C C9 C	G9 Em Em7/B Em Em7/B
-----	It's a place where you will learn	you won't rely on open eyes to see.
Intro: G G9 G G9 Em Em7/B Em Em7/B	C9 Am	G G9 G
	to face your fears, retrace the years,	The walls you built within
G G9 G	Am9 Am Am9	G9 Em Em7/B Em Em7/B
Hush now, don't you cry,	and ride the whims of your mind.	come tumbling down and a new world will begin.
G9 Em Em7/B Em Em7/B	C C9 C	C C9 C
wipe away the teardrop from your eye.	Commanding in another world,	Living twice at once you learn,
G G9 G	C9 Am Am9 Am Am9	C9 Am
You're lying safe in bed,	suddenly you hear and see this magic new dimension....	you're safe from pain in the dream domain,
G9 Em Em7/B Em Em7/B	D C6	Am9 Am Am9
it was all a bad dream spinning in your head.	I... will be watching over you	a soul set free to fly.
C C9 C	D C6	C C9 C
Your mind tricked you to feel the pain,	I... am gonna help to see you through	A round trip journey in your head,
C9 Am Am9 Am Am9	D C6	C9 Am Am9 Am
Of someone close to you leaving the game (of life).	I... will protect you in the night	master of illusion, can you realise your dream's alive
C C9 C C9 Am	D C6 G G9 G G9	Am9
So here it is, another chance, wide awake you face the day.	I... am smiling next to you, in silent lucidity....	You can be the guide, but
Am9 Am		D C6
The dream is over, or has it just begun....?	Solo	I... will be watching over you
G G9 G G9 Em Em7/B Em Em7/B	(Voz durante o solo)	D C6
G G9 G		I... am gonna help to see you through
There's a place I like to hide,	Visualise your dream,	D C6
G9 Em Em7/B Em Em7/B	Record it in the present tense,	I... will protect you in the night
a doorway that I run through in the night.	Put it into a permanent form,	D C6
G G9 G	If you persist in all efforts,	I... am smiling next to you....
Relax child, you were there,	You can achieve a dream come true...	G G9 G G9 G G9 G G9 G
	...a dream come true...	
	...a dream come true...
